## **CPR REQUIREMENT**

Training in cardiopulmonary resuscitation (CPR) that covers **INFANT, CHILD,** and **ADULT** CPR skills is required for credentialing purposes. Effective March 2020 - December 31, 2024, the CPR requirement may be met through either hands-on or online (American Red Cross only) CPR training. Submit a copy of the front and back of your CPR card to our office for verification. CPR cards must be **valid** at the time your credential is to be awarded. Please note: agencies issue CPR cards with various validity periods (i.e., 1 year, 2 years) so plan accordingly.

Below is a list of agencies that our office has compiled (you are not limited to these agencies).
