

Applicant Document Extension Notice

Prospective applicants who are in the process of submitting their Spring 2023 application may use this Document Extension Notice to submit as a placeholder for the Written English Proficiency, Certificate of Clearance, or Basic Skills Requirement. Once this form is completed and signed, you may upload this form into your application for every section that asks for one of the above requirements.

Please note that if you are recommended for admission into the program, applicants must still meet these requirements before they can be admitted in the program. If you have questions, please contact us at sped@sfsu.edu with your Cal State Apply ID.
