CPR REQUIREMENT

Training in cardiopulmonary resuscitation (CPR) that covers INFANT, CHILD, and ADULT CPR skills is required for credentialing purposes. Effective March 2020 - June 30, 2023, the CPR requirement may be met through either hands-on or online (American Red Cross only) CPR training. Submit a copy of the front and back of your CPR card to our office for verification. CPR cards must be valid at the time your credential is to be awarded. Please note: agencies issue CPR cards with various validity periods (i.e., 1 year, 2 years) so plan accordingly.
